SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered in this application, which is currently under appeal, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This case is currently under appeal and the Information Disclosure Statement is submitted after a final action, but before payment of an issue fee. Thus, the requisite fee of \$180 under 37 CFR. §1.97(d) is enclosed.

I hereby certify that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign (EPO) patent office in a counterpart foreign (European) application not more than three months prior to the filing of this Information Disclosure Statement.

Applicant submits herewith copies of each of the foreign patents in accordance with 37 CFR 1.98(a)(2).

An English language abstract of the cited Japanese reference accompanies this paper. The abstract describes the subject matter of the reference as best currently understood by the applicants.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 27754/X254A. A duplicate copy of this paper is enclosed.

Dated: October 27, 2005

Respectfully submitted,

By

Bryan J. Lempia
